

Dear Friends,

We are aware of the problems with Keys as PACEs are updated to 4th Edition. After considering a number of suggestions the most practical solution is outlined below. Taking these steps will help ensure that you have the right Keys when you receive your orders.

Note: You do not need to specify 4th edition when ordering, if 4th edition is available that is what will be supplied.

We ask that you check your orders with the following tables on our website before sending the orders to us. This way you can add to your order any additional Keys for 4th edition or National products that have become available.

The following page <http://www.scee.edu.au/distribution/4th-edition-and-national-paces/> contains links to the following tables:

- A.C.E. Social Studies PACE's
Is a list of Social Studies PACE's as they would apply to most Australian students. Listing the Australian PACE's, it indicates 4th edition where available.
- A.C.E. Science PACE's
Is a list of Science PACE's as they would apply to most students. It indicates 4th edition where available.
- A.C.E. Math PACE's
Is a list of Math PACE's as they would apply to most Australian students. Listing the Australian PACE's, it indicates 4th edition where available.
- A.C.E. 4th Edition Revised English Composition Two

- New Zealand National PACEs
Lists all the National PACE's developed for New Zealand students for Math and Social Studies.
- Papua New Guinea National PACEs

These tables are maintained by the Distribution Department and are updated as new PACE's become available.
